## **Lecturing**

Since August 2013 I have been teaching Website Development occasionally at Accra International School of Advertising & Design - **AiSAD** <http://aisad.edu.gh>

FEBRUARY 2010 - MARCH 2011:

*RANSOM EDUCATION CENTER, MAMPROBI, ACCRA*

### **Science and English Tutoring**

Pupils of primary 4 and 5 received practical and engaging lessons from me during the academic year I spent at Ransom Education Center.

SEPTEMBER 2009 - DECEMBER 2009:

*BULLSEYE MARKETING CO. LTD, DZORWULU, ACCRA*

### **Audio and Video Interview Transcription**

For three months I was involved in transcribing audio-visual content of interview sessions for the one-time popular inspirational TV program, **M'asem**, produced by Bullseye Marketing Co. Ltd.

### **Front Desk Operations**

I also operated the front desk office at Bullseye Marketing Co. Ltd during preparations for the **Lift Your Game** reality TV show of the M'asem program. I played a significant role in the organisation of participants and logistics for the reality show which lasted 14 weeks.

## **OTHER INVOLVEMENTS**

### **BOOK AUTHORING & PUBLISHING:**

Between the years 2007 and 2010, I authored and marketed a motivational booklet titled **NINE STEPS TO SUCCESS** targeted at inspiring secondary school students to academic excellence.

It sold up to **3000 copies** in over **50 schools** in Accra, especially schools in Mamprobi and Dansoman, Accra Ghana.

## **EDUCATIONAL BACKGROUND**

SEP 2010 - DEC 2010:

### INTERCOM PROGRAMMING & MANUFACTURING COMPANY LTD (IPMC)

#### **Graphic & Website Design**

- *Foundational*

After the foundational exposure, I went on to teach and continue to teach myself at online learning platforms like homeandlearn.co.uk, w3schools.com and website development forums.

2007 - 2010:

### ACCRA POLYTECHNIC

#### **Electrical & Electronic Engineering**

- *3-year program*

After 2 years I left to pursue other passions while I worked.

OCT 2010 - NOV 2010:

### TECHZONE ADVANCED TECHNOLOGIES INSTITUTE

#### **Computer Hardware & Basic Software**

- *Course covered hardware theory, assembling, installation, diagnostics and repairs*

2003 - 2005:

### WESLEY GRAMMAR SCHOOL

#### **General Science**

- *3-year program*

This was a fulfilling time in my life, and the basis of my love for science, technology and innovation.

**INTERESTS:** TECHNOLOGY, INNOVATION, BIBLICAL FACTS
